The 130 sqm premises boast a modern and elegant fit-out with the capacity to accommodate 75 patrons, thus requiring no further capital outlay from the incoming owner. The main road location provides access to high levels of pedestrian and vehicular traffic.

The business offers an easy-to-run operation, with no chefs required to run the restaurant. Staff members are reliable and can operate with minimal input from the owner. While the business is run by an owner-operator working Front of the House 6 night per week, this restaurant could potentially be run under management.
