Award Winning eCommerce Business - A Little Gem!

Are you looking for something a little different? This is it!

The main features:-

- * This opportunity is the only commercial company in Australia to sell these specialised products in colour.
- * Unique in the world of baby products not clothing, not toys.
- * Retail and wholesale.
- * Many long established stockists.
- * 80% retail margin.
- * Unusually high conversion rate on retail.
- * Long established secure suppliers.
- * Ideal for an owner operator working from home or garage approx. 10-12 hours per week.
- * Fast turnover allowing a small stock footprint.
- * Great value-add to existing baby / children's operations.
- * Potential for future growth and development.
- * Registered Trademark for Australia and other major markets including USA and China.

The business could be relocated anywhere in Australia.
