This business has been established for over 20 years under its Trademarked Branded product. The business also has Australian distribution dealerships for other International products that add to its range of over 200 line items.

The brand is one of the most well known in the Australian market with over two decades of very satisfied repeat customers. This business could be run from any warehouse that had around 50 m2 of floor space, as it has no physical contact with customers all orders being from email or phone. The average price of parts supplied range from \$1,500 to \$4,000 which are dispatched internationally within the businesses opening hours of Monday to Thursday 8.00 am to 2.00 pm.

This business operates with only one staff member looking after customer inquiries, stock orders, dispatch of products and the owner working in an administrative capacity.

Huge upside in expanding its exclusive product supply in Australia / New Zealand and internationally with more online marketing.

The owner is willing to stay on for a handover period prior to retirement. Asking \$1,150,000 plus stock approximately \$300,000 at cost.
