For Sale

Location: **Gold Coast**
Asking: **\$5,000,000**
Type: **Retail Other / Wholesale/Distribution**

Australia's largest online spa retailer

Established in 2011, this high growth online business will achieve sales exceeding \$15 million for the current Financial Year. This extremely profitable business has the industry's lowest cost distribution channels and minimal overheads, as it has very little in the way of head office staff or showroom leases.

The business's exceptional growth over the past half decade has catapulted it to near market leader. Its unique online sales model enables it to heavily undercut its traditional rivals costly retail models. Rarely do online sales businesses of this calibre appear on the market. The business is relatively simple to run. Its future growth potential is almost infinite, as an astute buyer has the option of feeding other bulky products down the same cost effective distribution channel. If you're looking to acquire a large online business which can be run from anywhere and has impeccable financials then this could be an opportunity too good to miss.
