Type: **Manufacturing / Construction**

Kitchen and Cabinetry Business For Sale Price Reduced! - Ref #3614

This Kitchen and Cabinetry business for sale is a one-stop business is active in all aspects of kitchens, cabinetry, design and manufacture. A strong foothold in the Brisbane kitchen installation market, offering a full house from design to manufacture, and installation. There's no shortage of work. When firmly established, a business can indicate a track record of where the demand is and which services are profitable. A huge advantage!

Kitchen renovations are always in demand for personal home improvement, as well as property investors wanting to revamp and sell.

Custom cabinetry designs and fit outs have little competition. This unique operation working like clockwork, is set up and established. Walk in and continue to trade. Operating as a small personalized business for more than 12 years, the size of the business makes it all the more easy to take over and continue.

Other types of cabinetry such as wardrobes, office fit outs, custom furniture, TV cabinets and even flat packs is included in this well oiled business. Quality workmanship, correct quotations ensures a flow of referrals, repeat work and a very profitable business.

- * The Seller is prepared to assist the Buyer in the transition.
