Get out of the city and get reliable ongoing income.

Mortgage Broking Franchise. These days people are looking to get out of the congested city and spread their wings. You can run this business from home no shop, no office, no rent. It has already got loans paying monthly income. Throughout this pandemic one thing has kept going and that is Real Estate. People are refinancing. People are selling up and moving out and a mortgage broker handling the deal gets paid every time this happens. On top of that, the broker keeps getting paid for as long as the loan lasts. What could be easier than that?

Are you looking for a change of pace, lifestyle?

There is \$70,000 income each year waiting for you in this near coastal idyllic town. You might be in the regions but you are supported by a leading public company with all the smarts, IT and anything you need to continue to grow this business.

Pack your fishing rod and get ready to embrace your new life. This business costs only \$180,000 which is an outstanding return for what you are getting.

Don't take my word for it - come and see for yourself!!!!!!!!!!
