Do you love boats?

An exclusive franchise opportunity with an Internationally-recognised brand has become available in Sydney's northern suburbs. Perfect for those who have a passion for everything marine, this is a well-regarded local business with loyal clients as well as a solid fleet business that brings repeat business.

We are all looking for a business for the times. This is it.

The sale of this business is a brilliant opportunity for a savvy business person who wants to take advantage of an uncontested local market. The strong share of the market they enjoy also includes

- A partnership with Yamaha (who provides full promotional material and a wide range of branded products on sale)
- Conveniently located in Sydney's Northern Suburbs
- A profitable business with little competition
- Ample street parking in the form of outdoor and indoor parking
- High-clearance factory (225m²) plus plenty of storage space
- The premises are owned by the business so you have the option of buying them too. What a way to secure your future.

Inquire today to see how the purchase of this business could benefit you and your financial future. It is extremely rare to find a business and a brand that is not only well-regarded by the wider community, but also has the guaranteed potential to earn it's new owners a healthy income.
